Midwest Media Educators Council Membership Form

The Midwest Media Educators Council, originally entitled the Chicagoland Television Educators Council (CTEC), grew out of a need for teachers of media to network by sharing ideas, techniques, information and technical knowledge about television curricula and activities.

Formed in the early 1990's with the help of the Columbia College Television Department, the organization adopted by-laws and joined the Illinois Association for Education Communication and Technology (IAECT). MMEA members are instructors, technicians and advisors for high school television production programs. For information regarding MMEA, please visit our website, www.mmea.tv

The annual dues to join MMEA are **\$100**. The membership year is from March 1st thru February 28th (February 29th in leap years) and memberships are per school and not per teacher.
