Dear Faculty Festival Participant,

Well, the First Annual High School Video Festival is now a part of history and can be reflected upon as a great success for our first effort. We on the committee would like to thank each of the participating schools, the faculty, and most of all the students for their creative input and enthusiasm in making our May 5th festival a success.

As a review of the Festival, here are the best of category for 1994:

Sports	Bulldog Tales	Riverside- Brookfield

Enclosed you will find "Honorable Mention" certificates for all entries from your school and the matching judging sheets with numeric totals and judges' comments. We hope you and your students will find these comments interesting and helpful.

Additionally we are asking you to fill out the enclosed evaluation of the day's events and return it to Luke Palermo, Columbia College, 600 S. Michigan Ave., Chicago, Illinois 60605, by May 27th. Your feedback will be very helpful in planning next year's event.

Once again thank you for interest and involvement. Please have a wonderful summer and watch for Chicagoland Media Educator's Network workshops and meetings starting in the Fall.
